Gather your scraps! Do try to stay with a general theme or mood to your fabric choices. These blocks are addictive, so beware.

For example: juvenile prints with stripes and dots
OR
traditional prints, some floral, some geometric
OR
contemporary prints with batiks

For a 64 block wall hanging size:

- Background Fabric: White/off-white/tea dye muslin or tone on tone - 64 - 3 ½ inch squares
(¾ yard total fabric)
- Scrap A: Medium or Dark – 64 3-inch squares
(¾ yard total fabric)
- Scrap B: Medium or Dark – color coordinate with Scrap A – 64 6-inch squares.
(2 yards total fabric)
- Inner Sashings: 1 ½" x 5" strips, 64.
(½ yard total fabric)
- Cornerstones and 4 or 8 pointed Stars: ½ yard of a solid coordinating fabric. Pick one that will sparkle against your other fabrics.
- Block Sashings: ½ yard of a single coordinating fabric (for some unity to your scrappy theme)
- Border 1 and 2: ½ yard each of two coordinating fabrics (they may repeat a fabric from scrap A or B.
- Piano Keys: 1 ½" x 5" strips, 240. Cut from all of your fabrics.

If you are scrapless, consider buying fat quarters to give your quilt variety or consider sharing your fabrics with friends in the workshop.
