

Kassie and Denise's Mystery Quilt Class

Shhhh don't tell anyone!

Come join us for a day of fun and mystery.

This is a great class for beginning quilters and a fun one for experienced quilters. We will give you only one part of the puzzle at a time and we should be able to complete the top in one day, unless you are a slacker. Can't wait to see you there. Denise and Kassie

Although I am giving fat quarters as a measurement, you do not have to use fat quarters. This is a great stash reducing class, so check that stash.

Three fabrics

Fabric A : 4 fat quarters

Focus fabric. This is a medium fabric, it can be a print or it can even be several different fabrics (scrappy is good) just be sure they are all mediums.

Fabric B: 5 fat quarters

Dark contrasting fabric.

Fabric C: 2 fat quarters

Light and bright fabric.

Make sure all fabrics go together.
