The Raffle Quilt was delivered to the winner by Cathey LeBonte.

The following will be doing;

NEQM – Allison Wilbur

Confort Quilts – Mary Padbury with the assistance of Barbara Stetson

NBQA Web – Joan Rebecchi

Historian – Maribeth Traer

Membership – Anne Sabatini

The youth group that Barbara Stetson is working on should be added to the by-laws. If this is going to continue perhaps it is something that should be done next year. Anyone working with youth has to have a background check done at the cost of \$35. Barbara has been talking with local libraries that are interested in hosting the sewing activities.

The Board will meet again on June 16th. Louise would like board members from this year and next year to attend if possible.

We need to find a place to hold our workshops as the Fabric Place is closing. Hope will make an announcement at the meeting asking people to let us know if they find a suitable location. The church has been approached and they do not want the workshops held at the church,.

The meeting was dismissed at 6:34 pm
