

## **"On The Edge" Workshop – student cutting list**

**Adele Scott**

[asds@adelescott.com](mailto:asds@adelescott.com) if you have questions

**Note: I use pre-quilted to make it easier, but you could quilt your own pieces to simulate a finished quilt.**

**It's best if the various strips are contrasting to the main, pre-quilted fabric**

**[Kits available for \$20 but I need 30 days to prepare since I'll do all the pre-sewing etc.]**

### **Edge Prep & basic binding techniques:**

1 – approx. 12" x 18" pre-quilted fabric  
2 – 2 ½" x wof for binding

### **Mock-piping Binding & Traditional Piping**

Approx. 8" x 12" pre-quilted fabric [ should be a contrast to the following piping related strips]

2 contrasting fabrics strips – 1- 1 5/8" x 8", 1 – 1 3/8" x 8" sewn together to make a 2 ½" x 8" piece

1 – 2" x 18" bias strip

1 – 18" piece of piping cord

1 – 1 ¼" x 8 strip of fabric

### **Mitered Corner Self-binding:**

1 – approx. 12" square fabric

1 each 9" square of contrast fabric and cotton batting

### **Mitered Border with scallop edge**

1 – 12" pre-quilted square

2 ea. 12 ½" x 6 contrast rectangles

### **Scalloped, Wavy or Rounded Corner Edges:**

1 – approx. 12" x 18" pre-quilted rectangle [can be larger]

1 – 2 ½ x wof bias strip

1 – 1" x wof bias strip

### **Prairie points & Novelty edge**

1 – approx. 8" x 12" pre-quilted rectangle [contrast to the following]

1 – 4" x 22" for prairie points

1 – 3" x 8" for novelty edge
